SAFETY, LUXURY & SELECTION

One of our best models for enclosing outdoor living areas or for a new garage door to complement the architecture of a modern home, is the stylish Modern Classic 7500. With its completely clear panel, this modern and architecturally refined garage door will instantly boost your home's curb appeal.

Tongue & Groove Section Joints 1

Precisely designed thermally broken section joints reduce air infiltration and create a weathertight seal.

Anodized Aluminum Frame 2

Frame members are mechanically fastened at joints creating an exceptionally high strength door frame.

Optional Insulation 3

Options include (EPS) polystyrene insulation in the door frame as well as insulated glass.

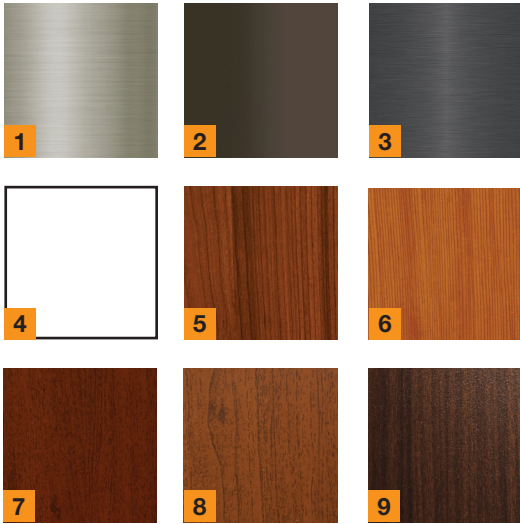

Glass Panels 4

1/8" clear tempered glass is standard and other obscure or tinted glass are available.

Bottom Weather Seal 5

Keeps out wind, rain, debris and other elements for added energy savings.
