CHOOSE YOUR BEST MATCH.

Panels are available in four standard colors ready for your personal touch to enhance the look of your home.

SAFETY, LUXURY & SELECTION

Whether it's for enclosing outdoor living areas or for a new garage door to complement the architecture of a modern home, the trendsetting Luma Classic 7400 is a crowd pleaser. A true stile-and-rail garage door, the Luma Classic 7400 is 1-1/2" thick and made with an all-aluminum construction; frame members are mechanically fastened at joints for an exceptionally high strength door frame. Precisely designed section joints with compressible gaskets reduce air infiltration and create a weathertight seal.

Tongue & Groove Section Joints **1**

Precisely designed section joints with compressible gasket reduce air infiltration and create weathertight seal.

Anodized Aluminum Frame **2**

Frame members are mechanically fastened at joints creating an exceptionally high strength door frame.

Glass Options **3**

1/8" Satin Etch Glass, 7/32" White Laminate or 7/32" Black Laminate glass options offer exceptional looks.

Bottom Weather Seal **4**

Keeps out wind, rain, debris and other elements for added energy savings.
