**Title: Hörmann Opens New Sales Center in Nashville**

A new Hörmann sales center officially launched in Nashville, TN with grand opening and ribbon cutting festivities on May 9, 2024. Sales center operations were moved from Antioch, TN to Nashville (Murfreesboro), which is more conveniently located to major interstate highways for convenient access. "We're excited about opening this new, much larger sales center featuring doors made right here in Tennessee, just one hour away in Sparta," said Tony Gorrell, Manager of the Nashville Sales Center. The new facility has doubled the capacity of the original location in Antioch, and is organized for quick and easy dealer / installer order pick up. In addition, the new comprehensive showroom there is available for Hörmann dealers to use with their prospects and customers.
