

# Infinity Classic 7800

**VALUE**

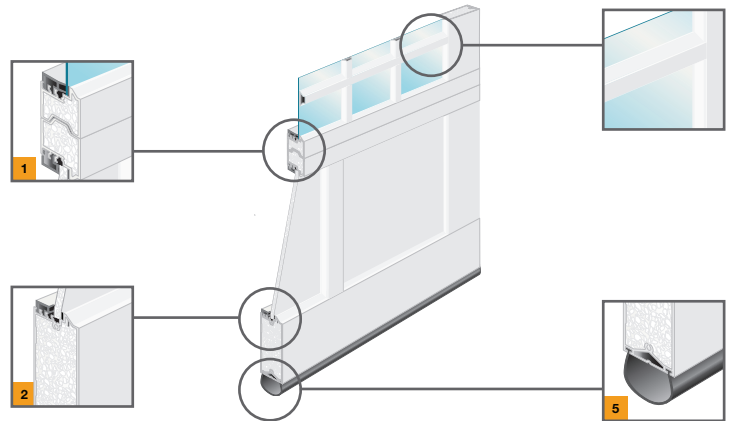

- Door: Ltd Lifetime
- Hardware: 7 yr
- Springs: 3 yr

- R-7.4 with Opt. Insulation
- Aluminum
- 2" Sections
- Look of Real Wood
- 70+ Designs
- Extremely Easy to Maintain

## STYLE, DURABILITY, SAFETY

The elegant charm of a classic wooden carriage house style door meets durable, maintenance-free construction. Our latest manufacturing technology combines a modern, aluminum garage door with the sophisticated appearance of classic, natural wood. Insulated 2" thick aluminum panels integrated with commercial grade extruded aluminum overlays create a strong, weather resistant door (R-5.6 thermal rating).

**Tongue & Groove Section Joints** 1

Precisely designed thermally broken section joints reduce air infiltration and create weather-tight seal.

**Standard Insulation** 2

Framing members and aluminum panels have a polystyrene core insulation for thermal and acoustic advantages.

**Aluminum Construction** 3

Commercial grade extruded aluminum frame and design overlays are mechanically fastened at joints.

**Glazing Options** 4

1/8" clear tempered glass is standard and 1/2" insulated glass is optional with various glass pane design options. 1/4" white laminated glass is also an option.

**Bottom Weather Seal** 5

Keeps out wind, rain, debris and other elements for added energy savings.

## WOOD FINISH OPTIONS

- 1 Dark Fir
- 2 Dark Walnut
- 3 Dark Cherry
- 4 Mahogany
- 5 Italian Rosewood
- 6 Black
- 7 White

*Colors shown as accurately as printing technology will allow.*
